Friday Noon Lecture Series

E-cigarettes: Friend or Foe

Theodore Friedman, MD, PhD
Chair and Professor
Department of Internal Medicine
Charles R. Drew University of Medicine & Science

Friday, May 3, 2019
Noon – 1 p.m.
CDU Cobb Lounge
1731 E. 120th St.
Los Angeles, CA 90059

Session Objectives

1. Describe electronic cigarettes.
2. Explain the demographics of electronic cigarette use.
3. Evaluate whether or not electronic cigarettes should be used for smoking cessation.
4. Explain the negative effects of electronic cigarettes in humans.
5. Discuss the negative effects of electronic cigarettes in mice.

Overall Objectives

1. Discuss tools and strategies for tailoring health communications that are appropriate for different racial, ethnic, socioeconomic, and at-risk populations.
2. Identify factors that impact measured health disparities in SPA-6 and the greater Los Angeles County.
3. Cite methods for improving upon your performance as a team member within the healthcare system to provide optimal coordination of care for patients.
