

Health Careers Opportunity Program at Charles R. Drew University of Medicine and Science

CDU/AltaMed

H C O P A C A D E M Y

Over \$125,000 in scholarships available for the CDU-AltaMed Ambassador Program.

The CDU-AltaMed HCOP Academy will engage minority students into two structured programs under an innovative university and federally qualified health center collaboration.

This program will provide **250** high school, undergraduate, pre-med, and graduate students with a structured, supportive integrated primary care, biomedical research, and community research experience.

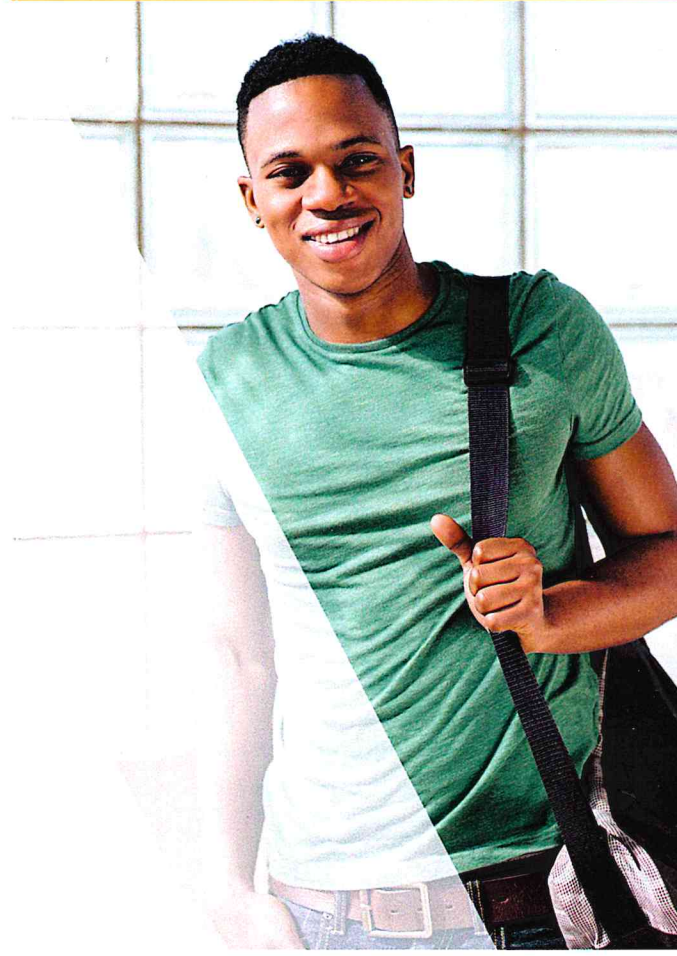

Project Funded by **HRSA** Health Resources & Services Administration

This program is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$3,175,410 with 0 percentage financed with non-governmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS, or the U.S. Government. For more information, please visit HRSA.gov.

The CDU-AltaMed Ambassador Program will provide 125 high school, undergraduate, and graduate students with a longitudinal structured, supportive pipeline that integrates primary care and biomedical/community research experiences.
